Nagahori (HK) Co. Limited is a wholly-owned subsidiary of Nagahori Corporation, specializing in production and export of high-quality Japan manufactured artisan jewelry. They focus on providing high quality pearls, machine chains, and other components to wholesalers and retailers in Asian countries and around the world.

Established in 1962, Nagahori Corporation has grown from Nagahori Pearl Co., Ltd. to become one of very few publicly listed companies in all of Japan with 62 years of experience. The company has integrated a range of business models, including sourcing of raw materials, product planning and design, research and development, and sales. With two state of the art, modern factories and facilities built and operated in Japan, they are capable of producing a wide range of products to meet different requirements, including casting and forging. Nagahori offers high-quality finished jewelry as well as provides ODM and OEM services. Through long-term partnerships with pearl farms both domestically and internationally, and also strict selection criteria set by Nagahori, they consistently deliver high-quality saltwater pearls. This time, Nagahori launches a collection of rare and precious heart-shaped South Sea pearls.

Benefiting from the strong foundation of its parent company, Nagahori (HK) Co. Limited is dedicated to providing jewelry products of "Made in Japan" quality to customers continuously. The company is actively expanding its export business. By maintaining a proactive approach to market demands and changes, the company aims to establish a strong presence in the jewelry market and contribute further to the growth and success of the jewelry industry in the region.

Founded in 1978, Peershine, as a prominent designer and manufacturer, has established and maintained a high reputation in the jewellery industry for over 40 years. Facing the globally intensive competition and rapidly change in the market, Peershine has exploited its flexibility into the innovation of product types, production line and selling & marketing channel in order to meet the needs of customers and explore more new segments.

Diversification and flexibility are reflected in Peershine's products and different tailor-made projects with customers. From the beginning of producing Karat Gold Fine Opal Jewellery, nowadays Peershine has successfully established Silver Jewellery and Accessories sections too. Opal is still the core product of both Peershine's Gold and Silver collections. For Silver collections, it also includes Corundum, Fresh Water Pearl and other semi-gemstones jewellery. For Accessories, it includes Leather, Satin, Cotton, Rubber, and other Stainless-Steel products.

With a view to providing a better service and communication with global customers, Peershine has put a lot of effort into the development of digital selling & marketing platform and social media. Now, customers can contact with Peershine's salespeople, get the updated product information or promotional program and even experience the whole buying process including transaction by Peershine's digital channels, such as WeChat, WhatsApp, Facebook, Instagram, and Peershine's website.

Tin Fung Jewellery Limited, established in 1988, is a leading jewelry manufacturing company based in Hong Kong. They specialize in precious metal trading, casting, refining, and the production of jewelry findings and K gold chains. With their extensive range of products and services, they cater to both retail and wholesale customers.

Their product offerings include K gold chains, Cuban chains, K gold jewelry findings, hollow tubes, elastic metals CNC made items, K gold welding sheets, laser wires, and more. They take pride in their innovative design of accessories buckles for gemstone settings, which are registered and unique in the industry.

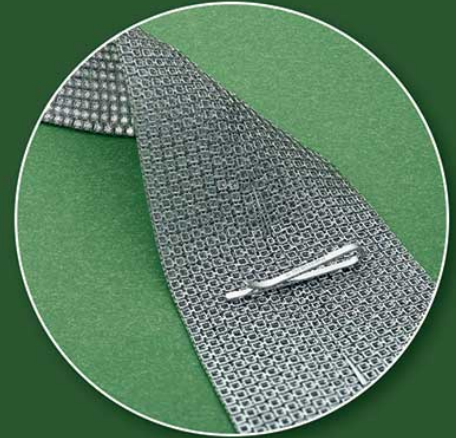

EU appearance design patent is obtained

As a member of the Chinese Gold & Silver Exchange (Member No. 70), Tin Fung Jewellery Limited offers a wide range of finessed gold products, including tael, 100/300/500 & 1000-gram packages. Additionally, they provide refinery services for K-gold jewelry, gold, silver, palladium, platinum, and wastage. Their streamlined procedures ensure efficient processing, with a turnaround time of just 2 to 3 working days. They also offer custom-made services, allowing customers to add their logos or trademarks on bullion.

Tin Fung Jewellery Limited also offers a unique one-stop solution for high-value recycling of K gold jewelry. When they collect your K gold jewelry, they ensure the safe removal of stones without causing any damage. They clean and return the stones to you in excellent condition, allowing you to choose between cash or gold after the refining process.

Furthermore, they provide reliable and efficient purity assay services that adhere to international standards. Their ISO/IEC 17025:2017 Laboratory is government-accredited, enabling them to release ISO-accredited analysis reports within 3 business days at competitive prices.

In addition to their jewelry-related services, Tin Fung also extends its business scope to property and safe deposit box rental services. As the largest safe deposit box service provider in Hong Kong, they offer up to 8,000 units of highly secure safe deposit boxes at their own property. Their advanced security devices, including Face ID login, motion detectors, and thermal detectors, ensure the utmost protection for their clients' valuable possessions. Moreover, each safe deposit box is covered by all risk insurance protection provided by Lloyds of London, up to HKD500,000.

Looking ahead, Tin Fung is committed to acquiring talented professionals and advanced hardware to fuel their growth. They strive to provide the best and most reliable services to their extensive client base in Mainland China, Asia, Europe, and the US markets.

Gold Bright Hong Kong Group Limited

Gold Bright Hong Kong Group Ltd has been specializing in importing and wholesaling of Italian k-gold jewellery with great success in the past decade. Its name has become well known and grown to be increasingly important in the k-gold industry. Thanks to the founder of the company who has dedicated to the industry for over 45 years. Over the years, being devoted to the faith of "integrity and loyalty", we have always been granted full support from most suppliers so as to enable us to cater for huge demand of goods from the customers. It thus enhanced our rapidly growth in the sales volume. In view of the average annual turnover over the past decade reached over half billion HKD. Therefore, we are proudly to become one of the top five k-gold jewellery importers & wholesalers of Hong Kong.

Meanwhile, due to close working connection with customers of different markets, it lets us gain the insight into the market trend. With this important signal on hand, we are eager to share the information with the suppliers and factories. Consequently, we have played an important role in the industry to enhance the development and even creation of product designs. In the forthcoming days, we will keep up our effort to provide our esteemed customers with our best quality products and services!

GEM WORLD

The background features a light grey gradient with various gemstone-related elements. A large, clear diamond is positioned at the top center. To its right, a gold-colored wire structure holds a dark, faceted gemstone. Below these, there are several smaller clear diamonds scattered across the space. A prominent green, oval-cut gemstone is held by a gold wire structure in the lower half. Abstract teal-colored circles and shapes are scattered in the upper right quadrant.

HIGH-GRADE

Precious Stone Jewelry

A-1 Jewelry Manufactory Ltd.

Email: info@a-1jewelry.com

A-1 Jewelry Manufactory Ltd., established in 1995, is one of the leading manufacturers in producing innovative and stylish diamond and gemstone jewelry. The company creates over 250 designs monthly and currently has over 25,000 designs in its product line. Besides its strength in product development, A-1 emphasizes on material selection and product quality control. With over 300 experienced workers in its own factory in Panyu, China, the company guarantees the quality of its production and timeliness of delivery. A-1 mainly produces 14K and 18K gold jewelry as the company supplies for the global market, including United States, Russia, Europe, Australia, Southeast Asia, and the Middle East.

HIGH-GRADE

Precious Stone Jewelry

Perfect Group International Holdings (HK) Limited

Email: sales@hkperjew.com.hk

Established since 1985, "Perfect Group International Holdings (HK) Limited" (PJ) specializes in providing vertical integration starting from diamond sourcing, designing to producing varieties of fine jewellery that satisfies the needs of different customers.

The mission of PJ is to manufacture "Perfect Jewellery" for the worldwide markets. The company is well known for micro pave and invisible settings. The major products are diamond jewellery in 14k, 18k and Platinum.

With own factory in Dongguan, the production is under full control and the company can ensure that it can provide the high quality products with the best delivery time and competitive price.

HIGH-GRADE Precious Stone Jewelry

Dai Sun Jewellery Company Limited

Email: info@dsj.com.hk

Dai Sun Jewellery Company Limited has been well-established since 1993. As a manufacturer, wholesaler and exporter, the company provides a wide range of fine jewellery set with diamonds, gemstones, semi-precious stones and pearls in 14K, 18K gold and platinum. Its production plant is located in Panyu, China, and covers an area of 2,000 square meters. Thousands of innovative new designs are introduced every month to cater for major markets in Hong Kong, China, South East Asia, Middle East, Australia, the USA and Europe. In addition, it has successfully developed OBM business in the Mainland market.

DSJ is famous for its innovative designs, meticulous craftsmanship, quality assurance, competitive price and outstanding service. In 2009, 2010 and 2011, it was awarded the "ISO 9001:2008 Certification", "Consumer's Most Favorable Hong Kong Brands" and "Best SME's Award" to achieve the ambition in building long-term customer relationship with the highest level of customer satisfaction. The sales team is well-trained to keep abreast of rapid market changes and growing demand. Between the year of 2012 and 2014, with the integration of the essence of "Ocean, Earth, and Sky" in the designs of "Phantasma", "The Inheritance" and "Graceful Phoenix", the three pieces have won the "JMA International Jewelry Design competition" Championships for three consecutive years. DSJ has also been awarded "The Best of the Best Award" and "Best Craftmanship Award", which serve as a recognition to the professionalism of DSJ kindly given by Hong Kong and overseas buyers. The "Spring Miracle" is DSJ's latest collection highlighting the fairness of nature in its design through observing the beauty of birds and their habitat, together with the integration of superb creativity.

HIGH-GRADE Precious Stone Jewelry

Shung Hing Jewellery Co.

UNISON

Unison Manufacturing HK LTD.

**Simple, modern and elegant diamond jewellery
in high quality and longevity.**

Background

UNISON was found in Yamanashi prefecture of Japan as a diamond studded jewellery manufacturer. Since its establishment in 1997, UNISON has committed to provide simple, modern and elegant jewellery at a competitive price so that more customers can enjoy the beauty of jewellery.

In 2013, UNISON has set up office in Hong Kong as the headquarter of international business. Now, the company's global presence has expanded to various countries in the Middle East, South-east Asia and the United States etc.

Concepts and mission

The jewellery designed by UNISON integrates with Japanese values of simplicity, quality and longevity. They create delicate necklace, bracelet, ring and earring using 18k golds handset with diamonds and precious stones. By combining timeless Japanese designs and creative elements, UNISON's designs present a great variety of style including chic, sexy and femininity.

UNISON believes that jewellery can light up people's life, which, has also become the motivation of UNISON's team to make beautiful jewellery. They want people to enjoy jewellery not only for particular occasion, but also in daily life, because jewellery is a significant part of fashion. A piece of eye-catching jewellery would definitely make you stand out in a crowd, while simple and elegant designs also increase your charisma.

Thus, Unison never stop innovation and evolution, a considerable number of new designs are presented to the market every season. Understanding the preference of customer varies from regions to region, particular collections are designed to different markets. By providing premium services and good quality diamond jewellery at an attractive price, UNISON has earned high reputation as a trustworthy business partner from global customers.

Mr. Makoto Akahoshi (Director)

JAPANESE TOP PEARL BRANDS

NAGAHORI
TOKYO / HONG KONG

Thursday - i

As a prestigious pearl jewelry brands under Nagahori Corporation, Thursday-i draws inspiration from Thursday Island, the place where human first cultivated pearls from white-lipped oysters. This exclusive collection features heart-shaped white lipped pearls with a golden sheen, created to celebrate Nagahori's 50th anniversary. These pearls are sourced from only a select few mother oysters suitable for aquaculture, adding to their rarity and value.

Chan Ming Wing Pearl International Limited

Wholesaler & Retailer of Tahiti Pearls

Email: cmwpearl@cmwpearl.com

tahitianinfo@biznetvigator.com

Tahitian black pearls are gorgeous little treasures from the French Polynesia. With professional expertise and a rich portfolio of experience, Chan Ming Wing Pearl International Limited delivers these treasures to global jewelry buyers and wearers.

Chan Ming Wing Pearl International Limited is highly recognized as one of the most well-established Tahitian black pearl suppliers from Hong Kong. The company specializes as a trusted wholesaler and retailer to offer an extensive pearl selection in various shapes, sizes and tones at reasonable prices.

Chan Ming Wing earns its credibility for offering top quality products with integrity, best possible pricing and great customer service. The company has established close and reliable connections with pearl farms in Tahiti which enables the company to directly import best-in-class Tahitian pearls at the best value. Such direct source also allows Chan Ming Wing to supply a rich selection of pearls in virtually all kinds of tones and shapes for the production of pearl jewelry which requires matching tones.

Round Pearls

Drops Pearls

The reputation of Chan Ming Wing in the local jewelry industry is respected and widely recognized. The company's Chairman, Mr. Chan Ming Wing is also the Founding Life Long President and President of the Tahitian Pearl Association Hong Kong.

About Tahitian Black Pearl

Tahitian Black Pearl is an organic gem formed from black lip oyster *Pinctada Margaritifera-Cumingii*. These pearls come in an attractive array of sizes, colors and shapes including round, semi-round, button, circle, oval, teardrop, semi-baroque and baroque. Each Tahitian black pearl has its own unique character and charm, which appeals to jewelry wearers who truly value its one-of-its-kind glamour. Also, it takes two years for a pearl oyster to be mature enough to begin producing pearls and its culturing process is highly sophisticated and requires the knowledge of expert grafters. Such rarity gives Tahitian black pearl higher value in terms of pricing and aesthetic.

Having been established for 51 years, Yuen Kee Ho takes pride in its manufacture of different kinds of high-quality jewelry accessories and equipments. A leading supplier of jewelry appliances based in Hong Kong, Yuen Kee Ho is an agent of various international brands, such as Yasui, EnvisionTEC, OROTIG, among others. The company believes in the importance of high quality, competitive prices and prompt delivery. It respects customers who demand outstanding high-quality suppliers, keeping an eye on quality which is highly valued by the company, as reflected in every aspect of its products, such as designs, price and service.

Yuen Kee Ho offers a wide spectrum of equipments, including rapid prototyping machine, pressure casting machine, welding machine, magnetic tumbler, etc. Using the state-of-the-art equipments, the company adopts technologies of its own to create the supreme products for its clients. Yuen Kee Ho also specialises in producing customised products that are in accordance with clients' specific demands, ensuring them to be able to find exactly what they are looking for.

YASUI Vacuum Pressure Casting Machine K2NEXT 16000

K2NEXT 16000

Model	VPC K2NEXT 16000	
Description	Vacuum Pressure Casting Machine K2NEXT 16000	
Casting system	Vacuum pressure casting system Max.pressure 0.3 MPa, with internal gas tank	
Replacing gas	Single gas (Argon)	
Program memory	100 memories	
Control	Specially designed micro-processor control. Temperature control by PID with accuracy of +/- 2 degrees centigrade.	
Heating	Induction heating (with specially designed metalstirring function)	
Oscillation	10 kW	
Cooling water	Tap water direct cooling system more than 3 L / min, more than 1.5 kgf / cm ² , Less than 30 °C	
Flask	Flask is elevated by the air cylinder to secure tight gas sealing and, as a result, perfect atmosphere separation of in-&out-flask.	
Max.flask size	Standard: 125 mm dia. x 230 mm (H)	
	Option: 125 mm dia. x 300 mm (H)	
Crucible volume	242 cc	
Max.castingamount	Volume	150 cc
	Weight	24K: 3.0 Kg
		18K: 2.3 Kg
		14K: 2.1 Kg 925Ag: 1.5 Kg
Shot maker	Option (Shot Maker SM1)	
Data output	Option: USB Memory (2 - 16 GB)	
Max.temp.	K-type	1,200 °C
	R-type	1,450 °C
Ultimate vacuum	0.1 to 10 hPa (depends on the vacuum pump)	
Vacuum filter	High mesh, replaceable from the front panel	
Power source	380 V +/- 10 %, 50 / 60Hz 3 phase, 11 kVA	
Net weight	Approx. 250 Kg	

envisionTEC Desktop Rapid 3D Printer Series

Vida HD cDLM

System Properties

- Compatible with all design software able to produce an STL output.
- Changeover between materials is quick and easy with no waste.
- Plug and play with an easy to use software interface.
- Very few moving parts guarantees a strong and reliable production system.

Machine Properties	Vida HD cDLM
Building Envelope	3.54" x 1.97" x 3.94" (90 x 50 x 100 mm)
Resolution in X and Y	0.002" (50µm)
Dynamic Resolution in Z (Material dependent)	0.0006" to 0.006" (15µm to 150µm)
Light Source	Industrial UV LED
Data Handling	STL
Warranty	1 Year Included

Laser Source Type	Multi-diode pumped fiber(Yb)laser(Class 4)
Wave Length	1030nm
Power	50W
Work Surface Dimensions	355x320mm
Working Area	57x57mm
Cooling System	Forced air and water cooling system
Maximum Power Consumption	1000W

EVO X

Machine Properties	EVO X
Power Supply	1-ph,115-230VAC±10%,50/60Hz,16A
Max Pulse-power and Duration	225J at 25mS
Peak Pulse-power	9kW
Avarage Power	90W
Frequency of Repetition	0.5 to 15Hz
Spot Size	0.1 to 2mm
Stereomicroscope	45° with 10X and crosshair or LYNX
Pulse-Shaping programs	5, preset
Programmable Memory-cells	32
Weight	41-43Kg
Dimensions (W x D x H)	51.0 x 79.3 x 55.3 cm

REVO X

Machine Properties	REVO X
Power Supply	1-ph.230VAC±10%, 50/60Hz, 10A
Type of crystal	Nd:YAG @ 7 mm
Power impulse and time	240J at 25mS
Peak Pulse-Power	10kW
Avarage Power	90W
Frequency of Repetition	40Hz
Spot Size	From 0.1 to 2mm
Access controls	External with 7" color touch-screen display. Internal with joystick
Stereomicroscope	45° with 10X and crosshair or LYNX
Weight	65 kg
Dimensions (W x D x H)	60.0 x 97.2 x 59.0 cm
Cooling type	Liquid cooled(10 liter) with forced ventilation

創新無止境

日本Yasui回轉式焗爐

型號: RBF21, RBF37 安井制造 質量印章
鋼盅在轉盤的每個部分都能理想地均勻受熱,轉盤轉動會對爐內的氣氛產生攪拌作用,加熱器的輻射會隨機反射,通過這種技術,所有的鋼盅在相同溫度下加熱,而不管在爐膛的任何位置設備
斷電恢復功能,蠟鑲貨型過熱保護系統
8段升溫程序,20個程序存儲
溫度跟蹤和監控,確保完成最佳的設置燒結溫度
配有二次燃燒器,環何無氣味,確保員工安全健康

日本Yasui真空離心鑄造機

型號: VCC 30A 安井制造 質量印章
雙擺臂離心鉑金鑄造,獲得最佳填充
複雜珠寶結構鑄造,密度高,沙窿少
穩定,耐用,是創造珠寶品質的首選
鉑金、鈀金精密鑄造的理想選擇精準的鑄造溫度,±2°C溫度控制

日本Yasui真空吸索鑄造機

型號: K2 NEXT 8000 安井制造 質量印章
功率: 4.8KW (沒有出口管制)
複雜珠寶結構鑄造,密度高,沙窿少
穩定,耐用,是創造珠寶品質的首選
新開發的加熱系統,精準的鑄造溫度
可變加熱輸出控制,減小鋅合金蒸發
DeGas專利技術,最大限度減小非填充
減小執模、拋光的人工和損耗

Nano系列便攜CVD鑽石批量檢測儀

Nano和Nano+便攜型鑽石/CVD/HPHT批量檢測儀是一個創新的儀器，小巧輕便，易於攜帶和托運，客戶可以在購買鑽石的現場進行快速檢測，篩選出自己可以確認的天然鑽石再進行購買。

Nano和Nano+也同樣適合於在一些工作空間緊湊的場所中使用，其供電方式靈活，耗電量極低，用一個大容量的充電寶，可以連續工作許多天。

Nano和Nano+檢測準確，速度快，很多海外實驗室都在使用EzView系列檢測儀檢測鑽石、CVD、HPHT。

為什麼選擇Nano和Nano+?

這是一台真正便攜型的儀器，尺寸只有手掌大小，重量很輕，可以放在隨身的背包中，並且可以用充電寶供電。如果乘飛機，儀器內部沒有電池，可以空運到任何地方。

儀器的準確度非常高，基於光譜分析原理，檢測更直觀。所以很多國外的實驗室都選用的是EzView系儀器。

儀器和手機之間無線連接，使用起來簡單方便。檢測的時候，手機放在儀器上的固定位置；查看結果的時候，可以把手機拿起來，隨意翻看，執行放大等操作。

檢測速度非常快，只要十幾秒就能完成檢測。

小儀器，大測試區域。可以批量檢測裸石和珠寶成品，包括戒指、耳釘、耳環、手鏈、項鍊，等等。

多種供電方式，可以使用交流電220V/110V供電，也可以使用充電寶供電。

操作非常簡單，只需要手機無線連接儀器，運行相應的App，點擊測試，就會自動完成檢測。

規格:

型號	Nano	Nano+ (手鐲檢測)
有效測試區域	80*60mm	80*75mm
樣品倉尺寸	85*70mm	85*85mm
樣品類型	裸石、戒指、項鍊、耳環、等等	裸石、戒指、手鐲、項鍊、耳環、等等

Winning Jewellery (H.K.) Co., Ltd. Since 1970

9K / 14K / 18K Gold / 925 Silver Clasps and Findings
(China Factory) Wholesale Only

High end products for brand jewelry customers (Logo Promotion)

Winning Jewellery, one of the largest manufacturers of clasps and findings in Asia founded in 1970. Near half a century, with skilled and energetic labour, the company has become a well-known jewellery wholesaler and exporter in the market.

Winning Jewellery lays emphasis on product quality, innovation and designs. The company attributes the key of success to their reputation in jewellery industry, together with the use of excellent quality raw materials and high-technology machineries; as well as the effort of its skilled workers. They have enlarged their market not only in Hong Kong and Mainland, but also in Asia, Europe, Australia, USA and South Africa.

Currently, we mostly focus on the production of clasps and findings that can be made from Silver, 9K, 14K and 18K Gold. Moreover, we can produce bracelets, earrings, pendants and rings that can fit into different sizes of Culture Pearls, Fresh Water Pearls and South Sea Pearls. Furthermore, our silver jewellery can be plated with 18K gold and rhodium, which is nickel-free. Over 10,000 species of jewellery products, in which 50% of them are silver items and the remaining are gold merchandises. As a result, we think our products can fulfill different customers' demand and we will keep on producing more fashionable and trendy design jewellery in the future.

EXCEED EXPECTATIONS

Elevate Your Brand .

TAI TUNG

Jewelry Box My Ltd is a company with over 52 years of experience in the export industry. Our commitment to providing excellent quality and advanced services has earned us the trust and support of numerous customers, who have come to rely on us as a reliable and trustworthy supplier.

We take great pride in our expertise in this industry, and are constantly striving to improve our standards and services. We believe that it is this commitment to excellence that has enabled us to remain a leader in the industry for over five decades.

At Tai Tung Jewelry Box Mfy Ltd, we own a factory in China (Mainland) that is capable of producing 400,000 units per month. Our success in achieving this high level of production is due to our strategic planning and management of our production line. We have invested in state-of-the-art technology and equipment, and have assembled a team of highly skilled professionals who are dedicated to ensuring that our products are of the highest quality.

We would like to express our gratitude to our design teams in both China and Hong Kong, whose creativity and hard work have allowed us to explore new products and expand our reach both locally and overseas. Our teams are constantly researching and developing new products that meet the evolving needs of our customers.

At Tai Tung Jewelry Box Mfy Ltd, our mission is to provide our valuable customers with the best possible products and services. We are committed to maintaining our position as a leader in the industry by constantly innovating and improving, and by delivering on our promise of excellence.

Their company possesses a great number of management personnel and skillful workers, a complete quality management system, world-first-productive equipment and various imported machines, and well-developed & complete facilities, which provided a solid base for manufacturing high-quality products.

Each productive process is given strict quality control, which makes the product quality be stably kept above excellent level. The tenet of pursuing survival via quality and pursuing development via quantity is the responsibility of each staff member of Wonder Best Group Co., Ltd. They keep exploring and innovating in product development and design to work out styles that would better lead the fashion trends.

Scientific industrial organization, strict management system, strong design strength, good productive environment, and profound cultural connotation are a firm foundation for China and overseas markets to create high-quality products, such as handbags, wallets, cases, gift & premiums, etc., to different countries, mainly send to America, Europe, Hong Kong, Japan, and Asian countries. As for the fast development of the new technology revolution, Wonder Best Group Co., Ltd., will go on sticking to its Leather, technology, and development on producing Leather products in good quality. They will provide their customers with newer productivity of their quality, more enthusiasm, and better services.

THE HERITAGE FOR TOMORROW

6/10 SEPTEMBER 2024 VICENZA

vicenzaoro.com

Vicenzaoro celebrates its first 70 years. The show, which has evolved from the celebrated "Made in Italy" tradition of goldsmithing, jewellery manufacturing and craftsmanship, is today a leader in Europe and a guiding light for the entire global industry. A living legacy, a heritage of excellence, relationships, skills and values.

TAI CHUNG JEWELLERY Co., LTD.

大中寶石首飾有限公司

www.tcjewellery.com

With over 30 years of expertise, Tai Chung Jewellery has risen as a leading and esteemed jewelry supplier and manufacturer in Hong Kong. Their steadfast dedication to excellence and customer contentment has garnered the trust of numerous clients, retailers, and importers globally.

Operating as a comprehensive jewelry enterprise, they present an extensive array of innovative styles and products. Ranging from 24K Gold Jewelry to 925 Sterling Silver Jewelry, Mother Of Pearl, Shells, Pearls, Vermeil Jewelry, Bead Strands, Loose Gemstones, and tailor-made creations, our diverse assortment caters to diverse tastes and needs.

Situated in Guangdong province, China, their cutting-edge factory stands at the vanguard of jewelry manufacturing technology. Staffed by a team of highly skilled artisans and committed personnel, they endeavor to design and produce some of the world's most exquisite jewelry pieces with utmost efficiency, ensuring punctual delivery without compromising on quality.

From enduring classics to pioneering avant-garde innovations, their gifted designers consistently challenge the limits of creativity, offering a wide range of original designs. This artistic ingenuity enables them to curate collections that provide a remarkable variety to suit all preferences.

Embracing an exclusive ethos, their specialization lies in crafting personalized bespoke jewelry for discerning brands and patrons. Upholding strict confidentiality, they safeguard all entrusted information and designs.

Operating from their technologically advanced all-in-one factory, they oversee every facet of the jewelry-making process. From meticulously handling loose gemstones to intricately crafting luxurious pieces by hand, they uphold complete control over the production journey. This streamlined approach enables them to price our products reasonably without sacrificing profitability.

Our steadfast ardor for creating exceptional wearable art and lucrative investments propels them forward. They are committed to making contemporary luxury accessible and cost-effective for a broader audience. By nurturing enduring, positive relationships with a diverse network of international and local partners, clients, and retailers worldwide, they unite in delivering top-tier jewelry pieces to individuals everywhere.
